

# Activities

- Promote a unified Thai language and culture curriculum and provide training for volunteer teachers.
- Host an annual academic event to evaluate student performance and teaching quality.
- Organize an annual sports day to build relationships among teachers, students, and parents.
- Develop comprehensive teaching materials and a two-year curriculum to prepare students for the G.C.E.(6th grade) equivalency exam.
- Provide financial support to network schools.
- Facilitate knowledge sharing among teachers.
- Produce promotional materials and serve as a central information hub for all members.

# Thai Teacher Association in Switzerland

**SINCE OCTOBER 29, 2012**

The Thai Teachers Association in Switzerland was founded through the collaboration of 18 Thai language and culture schools in Switzerland, together with the Royal Thai Embassy in Bern. The association serves as a central hub for promoting the learning and teaching of Thai language and culture throughout the country.

## **Our Objectives**

- To promote the teaching and learning of Thai language and culture throughout Switzerland.
- To develop knowledge and understanding of effective teaching methods for Thai language and culture.
- To support volunteer teachers in conducting teaching activities efficiently.
- To foster a sense of community and unity among volunteer Thai language teachers.
- To provide a platform for teachers to exchange knowledge and teaching experiences.

## **The "Sawasdee" Thai Language and Culture Curriculum**

This curriculum is divided into three levels, designed to provide a comprehensive learning path for students abroad.

### **Beginner Level (Years 1-2)**

- Build foundational listening and speaking skills using familiar topics like colors, body parts, and family.
- Learn the Thai alphabet (ก-จ) and basic vocabulary through engaging activities.

### **Intermediate Level (Years 3-4)**

- Practice fundamental reading and writing, starting with simple vowels (อ, อุ, อี).
- Advance to more complex vowels, the three consonant classes (Triyang), and tone marks.

### **Advanced Level (Years 5-6)**

- Read lessons and stories about Thailand.
- Master advanced spelling rules (Ma-tra Tua Sa-kod), changing and reduced vowels, consonant clusters, the Ror-Han symbol (ร), and silent letters (Tua Karan).

*This curriculum is designed to help Thai children abroad learn in a joyful and engaging way, leading to a true and genuine understanding of the Thai language!*
